## Workshop summary

Provide a short description of the workshop (about 50 words, as here) that will be used for advertising your workshop in case it is accepted to the Summit program. The advert will appear on the summit website and in social media, followed by 3-6 keywords that you can define below.

## Keywords

Workshop submission template, Content guidance, 7 Experiences Summit (Replace these keyword examples with keywords of your workshop)

## Workshop Topic

Describe the topic and purpose of the workshop in about 200 words.

## Workshop Outcomes

Provide 1–5 workshop outcomes, one sentence per outcome. If the workshop results in learning outcomes, list them by continuing the sentence “At the end of this workshop, attendees will be able to...”

## Workshop structure

Please describe how this session will be delivered (i.e., the number of presenters, format of the session, interactivity) in about 100 words.

## Organizer bios

Briefly (75 words or less per author) explain why the workshop organizer(s) is qualified to conduct the proposed workshop.

Once you are ready, submit your proposal at <https://easychair.org/conferences/?conf=7x2024>
